

Virtual Summer 2020 *Baking Challenge: Cupcake Wars*

The purpose of the class is to provide on-line, "live" help and direct instruction while providing a place for the children to learn together and "see" others.

What to Expect:

- The class will take place over three days and instructors will be available for 3 hours each day.
- You will be advised of a pickup time and place for materials.
- Below is a list of materials you will need for the class as well as what materials will be supplied.
- Your child will select one of three possible projects, as this will help us supply the appropriate materials to each student.
- "Surprise guests" for presentation of final projects (*Parent/Guardian participation encouraged*)

*****A parent or responsible person may be needed to help with the oven and/or mixer*****
