

Virtual Summer 2020 Make a Mask

The purpose of the class is to provide on-line, "live" help and direct instruction while providing a place for the children to learn together and "see" others.

What to Expect:

- The class will take place for one 2 hour session and instructors will be available during that time.
- You will be advised of a pickup time and place for materials.
- Below is a list of materials you will need for the class as well as what materials will be supplied.
- You need to be able to operate a sewing machine/ help will be available with machine via Zoom meeting (but I can only fix so much via internet)
- Adult supervision may be needed to use an iron in this class for the interfacing

Materials needed:	Materials supplied:	Directions:
<ul style="list-style-type: none">- Sewing machine- Iron/Ironing board- Scissors- Thread	<ul style="list-style-type: none">- pre-cut pattern to make two masks-pattern to make your own later-elastic-interfacing(fusible)	<p>Your child will be responsible for logging into the Zoom meeting at 10:00 and it will run until 12:00.</p> <p>Instructors will be available for step-by-step instruction and questions during this time.</p>

*****Prerequisite: You must be able to operate a sewing machine to take this class*****
